| 11 | Statement of Risks | <p>All investments in Shares or options on shares are subject to risk as the value of shares may go down or go up. In addition, Options are subject to the following additional risks:</p> <p>Concentration: The risk arising out of any fall in value of shares is aggravated if the employee's holding is concentrated in the shares of a single company.</p> <p>Leverage: Any change in the value of the share can lead to a significantly larger change in the value of the Option as an option amounts to a levered position in the share.</p> <p>Illiquidity: The Options cannot be transferred to anybody, and therefore the Employees cannot mitigate their risks by selling the whole or part of the Options so granted to the employees before they are exercised. Further, since the Company's shares are not listed, even shares allotted pursuant to exercise cannot be sold freely. In terms of ESOP-2009, till the shares of the Company are not listed on any recognized stock exchanges, in case any employee wishes to sell the shares, he is required to sell the same to the promoter Shareholders, in accordance with the provisions of ESOP -2009.</p> <p>Vesting: The Options will lapse if the employment is terminated prior to Vesting. Even after the Options are vested, the unexercised Options may be forfeited if the employee is terminated for gross misconduct.</p> |
| 12 | Others | For detailed features, terms and conditions of Options granted, please refer to ESOP-2009. Capitalized terms used herein, shall have the same meaning as set out in HDFC ERGO Employee Stock Options Plan 2009. |
